

Andreas Cove Yacht Club

Andreas Cove Yacht Club at Owl Harbor Marina was founded just over 30 years ago by a small group of enthusiastic sailors. Today we have a membership of more than 70. We consider our club to be one of the California Delta's best-kept secrets.

Membership is affordable and the club is just a short, scenic drive from Sacramento, Stockton, Davis, and the East Bay.

Joining the ACYC can be a great way to try out boating -- we offer something for everyone from landlubbers to the most competitive racer.

Check out our membership information tab on our home page to learn about becoming a member.
